THE COURSE HAS ALMOST STARTED !!!

*Specialist in the circular economy of plastic packaging*

The "SPECIALIST IN THE CIRCULAR ECONOMY OF PLASTIC PACKAGING" training course of PackAlliance Project will finally start October 4th 2021 and finish on May 21th 2022.

More than 60 students coming from Spain, Italy, Poland and Finland will attend the on-line course during 20 weeks.

AT THE END OF THE FOUR THEORETICAL MODULES, THEY WILL BE ABLE TO PARTICIPATE TO THE PACKALL HUBS DURING OTHER 8 WEEKS. IN THE PACKALL HUBS STUDENTS WILL ANALYZE DIFFERENT INDUSTRIAL CHALLENGES.

What are hubs?

PackAlliance Hubs are meant to be centers of educational, innovation and entrepreneurial excellence in Circular Economy for the plastics packaging sector.
