PACKALL LAST EVENTS!!!

THE PACKALL CHAINS PRIZE ON-LINE EVENT

June 6th, 2022, in Spain, Poland, Finland, and Italy

The CHAINS Module has been concluded with an event where the project partners and COREPLA (associated partner) have awarded the prizes to "The best innovative ideas" to the students that have attended the course and the CHAINS. The students competed by showing their ideas through a presentation and a video to a group of judges composed by partners experts and the R&D manager of COREPLA, Eng. Davide Pollon.

1ST AWARD: **ITALIAN TEAM N. 2**
2ND AWARD: **THE FINNISH TEAM**
3RD AWARD: **THE ITALIAN TEAM N. 1**

You can see the video of the event on [our YouTube channel](#) and look at the single videos produced by the teams.

Thank to the students and mentors for the great job!!

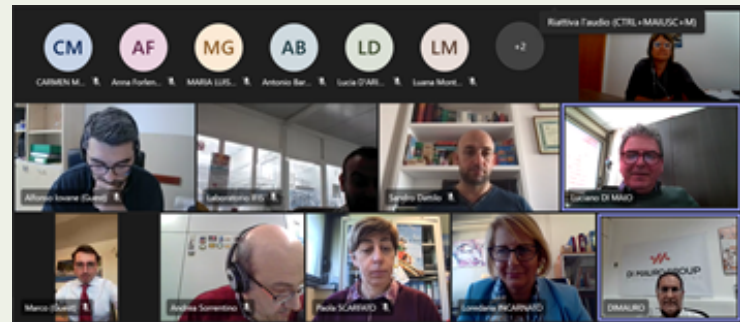

ITALIAN PACKALL PROJECT WORKSHOP - April 27th, 2022, Italy

The PackAll Hubs workshop has been organized by UNISA and Proplast on **April 27th, 2022** linking academy and industrial participants from the packaging sector.

The workshop aimed to inform and present the PackAll training course, the CHAINS module and the PackAll Hub.

The main parts of the workshop were:

- the modules of the PackAlliance course with "student centered learning" methodology
- the approach used during the CHAINS and the interaction between mentors and students
- the PackAll Hubs networking methodology and services offered
- the final discussion within participants

PACKALLIANCE PROJECT PANEL AT PACTEC FAIR: THE FUTURE OF PACKAGING

GREENWASHING OR NEW TECHNOLOGY?

Finnish PackAll workshop May 18th, 2022.

In the context of the PacTec fair, the Finnish PackAlliance project partners organized a panel discussion on the future of packaging on **May 18th, 2022**.

The panel was chaired by Sanna Piispa, Development Manager at Pyroll Packaging Oy. The panelists were Kati Randell from Paulig Oy, Eero Seppälä from Sense N Insight, and Ari-Pekka Pietilä from Amerplast Oy. The discussion covered, among other things, packaging legislation, the ecological features of packaging, the use of plastics in packaging, as well as the consumer communication and greenwashing.
